

Bi Pacific Northwest Group

General Rules and Conditions

Welcome & Purpose

Welcome to the Bi Pacific Northwest Group (BiPNW).

Our goal is to provide a fun, welcoming, respectful, and uninhibited environment where adults in the lifestyle can meet, socialize, build friendships, and enjoy events together.

While we host fun, sexy, and flirty events, **BiPNW is more than a swingers group. We are a lifestyle community.** Our members may identify in many different ways, and no one is required to identify as a swinger to be part of our community.

We welcome those who respect our members, follow our rules, and contribute positively to the community.

Any concerns, complaints, or event-related issues should be brought to a BiPNW Admin. We cannot address a problem unless we know about it.

1. Membership & Identity Verification

To help protect the safety and privacy of our members, all prospective members are required to complete identity verification.

You must provide a valid, state-issued photo ID along with a current live photo through the designated verification area of our site or Discord server. **This requirement is non-negotiable.**

Providing false or misleading information during the verification process may result in immediate removal from BiPNW and a ban from future group events.

Personal Information & Privacy

Personal information, including your photo ID, is collected solely for identity verification and member safety purposes.

Your personal information:

- Will not be used for solicitation or marketing.
- Will not be shared with other members.
- Will be treated as private and confidential.
- May be disclosed when legally required or when necessary to address a serious safety matter involving law enforcement.

We take the privacy of our members seriously and expect our members to respect one another's privacy as well.

2. Code of Conduct

BiPNW is intended to be a welcoming and respectful community.

No means no. Consent is required at all times.

Members are expected to:

- Treat others with respect.
- Respect personal boundaries.
- Accept "no" without pressure, argument, or repeated requests.
- Behave responsibly at group events and within our online community.
- Follow all BiPNW rules and event-specific requirements.

Inappropriate or disruptive behavior may result in removal from the group and/or future events.

Examples include, but are not limited to:

- Sending unwanted direct messages (DMs).
- Repeatedly contacting someone after being asked to stop.
- Creating unnecessary drama or conflict.
- Spamming members or group channels.
- Harassment or disrespectful behavior.
- Ignoring another person's boundaries or consent.
- Intentionally violating group or event rules.
- Providing false information to Admins.

BiPNW reserves the right to remove or ban individuals who fail to follow these rules or whose behavior creates a safety or community concern.

If you experience or witness inappropriate behavior, please contact a BiPNW Admin as soon as possible.

3. Our Community

Yes, we are a lifestyle group, and yes, we enjoy sexy and flirty fun. However, there are limits to what we allow.

Our members are here to have fun, make friends, build relationships, and connect with others in the lifestyle.

BiPNW is not simply a pickup or play group.

Participation in the group or attendance at an event does not mean anyone is obligated to flirt, play, participate in sexual activity, or interact with another member beyond their personal comfort level.

Friendship and community are an important part of BiPNW.

EVENTS

4. Dinner with Friends

Dinner with Friends is a relaxed social event held at local restaurants throughout the North, South, and Oregon areas of the Pacific Northwest.

These gatherings give members an opportunity to get to know one another, make friends, and build connections outside of our play events.

Dinner events are generally held monthly and are open to eligible BiPNW members.

Each attendee is responsible for paying for their own food, beverages, and other purchases unless another person has agreed to pay for them.

5. Meet & Greets

BiPNW Meet & Greets are private play parties organized by BiPNW Admins.

Meet & Greets have a separate event waiver that must be completed before attending. The waiver will be made available through the designated BiPNW site or platform so that it can be signed and kept on record.

Signing the required waiver does not replace your responsibility to follow BiPNW's General Rules and Conditions.

EVENT RULES

6. Alcohol

Alcohol is **not served or permitted** at BiPNW Meet & Greets.

The event facility does not allow alcohol on the premises.

7. Marijuana, Drugs & Smoking

Marijuana use is not permitted during BiPNW Meet & Greet or on the event premises.

Anyone found using marijuana during an event may be required to leave.

Smoking tobacco is permitted only in designated outdoor smoking areas.

Members are expected to comply with all facility rules and applicable laws.

8. Clothing & Dress Code

The front area of the event facility is designated for food, conversation, and socializing.

While in the front area, attendees must remain fully clothed.

Once you leave the designated front area, clothing is optional.

Clothing optional does not mean clothing required. No member should ever feel pressured or obligated to undress.

Everyone is encouraged to participate only at the level at which they feel comfortable.

9. Phones, Photography & Privacy

Protecting the privacy of our members and the event facility is extremely important.

Phones must remain in the designated front area and are not permitted in other event areas.

Photography is permitted only when and where specifically allowed by BiPNW rules and with the consent of everyone who may appear in the photo.

No photographs or recordings may be taken in clothing-optional or play areas.

Members must respect the privacy of everyone attending BiPNW events.

10. Play Areas

The play areas are available to attendees throughout the event.

For member safety, doors in designated play areas must remain open and may not be closed unless BiPNW Admins specifically designate otherwise.

Participation in any activity is always optional.

Being present in a play area does **not** imply consent.

Consent must be clearly established before touching or participating with another person.

11. Pool & Hot Tub

The pool and hot tub areas are available for attendees to enjoy.

Sexual activity is not permitted in the pool or hot tub.

This rule is non-negotiable.

Members must follow all posted facility and safety rules while using these areas.

12. BDSM / The Blockhouse

A separate area is available for members interested in BDSM activities.

The Blockhouse has additional rules and its own waiver because the activities permitted in this area differ from those in other event spaces.

Anyone wishing to enter or participate in the Blockhouse must complete the required Blockhouse waiver before entering.

Signing the waiver does not eliminate the requirement for consent. Consent, boundaries, and applicable safety rules must be respected at all times.

MEMBERSHIP

13. Membership in Good Standing

Membership in BiPNW is conditional upon remaining in good standing with the group.

Members are expected to remain reasonably active within the BiPNW Discord server and community.

Members who are inactive may receive a warning. Continued inactivity of **25 days or more** may result in removal from the Discord server or group.

If circumstances prevent you from being active, you may contact a BiPNW Admin.

14. Enforcement of Group Rules

BiPNW maintains these standards to help protect our members and maintain the type of community we are working to build.

Failure to comply with the BiPNW Code of Conduct, event rules, consent requirements, or safety policies may result in:

- A warning.
- Removal from an event.
- Removal from the Discord server.
- Suspension from group activities.
- Removal from BiPNW.
- A ban from future BiPNW events.

The appropriate action will depend on the circumstances and seriousness of the violation.

Members who do not wish to follow these rules should discontinue participation in the BiPNW community.

EVENT PAYMENTS

15. Payments

When payment is required for a BiPNW event, payment will be made to the Group Owner, **Plyrmamadee**, through one of the approved payment platforms.

The Group Owner or an authorized Admin will provide attendees with the appropriate payment information and instructions for each event.

Do not send event payments through an unapproved account or payment method.

ACKNOWLEDGMENT

By signing below, I acknowledge that I have read and understand the **Bi Pacific Northwest Group General Rules and Conditions**.

I understand that participation in BiPNW and its events is conditional upon following these rules, respecting the privacy and boundaries of other members, and obtaining consent before participating in any activity involving another person.

I understand that individual events or activity areas may have additional rules and separate waivers that I may be required to review and sign before participating.

I understand that failure to follow BiPNW rules may result in removal from an event, the group, the Discord server, and/or future BiPNW activities.
